

LGBTQIA+ Guide to York

Often in York we hear that there is nothing for LGBTQIA+ people in the city. We are hoping that this small guide will help to dispel that myth. It covers everything from shops and groups to nightlife. There is in fact a lot happening in York.

Note that this guide was updated in April 2023 so the groups and activities might have changed. Since we are not responsible for events or groups outside our control, we urge you to contact the organisations, businesses or groups who are managing these activities.

Registered Charities and Community-Based Organisations

York has four registered charities, a Community Interest Company (CIC) and several community-based organisations offering the LGBTQIA+ community different events, activities, services and support.

York LGBT Forum

The York LGBT Forum (Registered Charity No: 1162234) believes that where barriers exist, there is inequality.

The diversity within the LGBT community enriches all aspects of life and should be encouraged and promoted. This is why the York LGBT Forum strives to improve the social inclusion of LGBT people in the area.

The Forum actively promotes awareness and understanding of LGBT people's needs to enable full participation in society and works with many others to reduce the fear of crime and bullying, particularly in schools, the workplace and in later life. It also encourages greater participation in the prevention and detection of homophobic, transphobic and biphobic discrimination. They aim to improve people's wellbeing and sense of community.

York LGBT Forum oversees a variety of activities including socials and support groups. Current activities are listed below but more information can be found on their Facebook page or website: www.yorklgbtforum.org.uk

York Pride

York Pride is a registered charity (No: 1154441) which aims to promote equality, diversity and advances in education, in order to eliminate discrimination against the Lesbian, Gay, Bisexual and Transgender (LGBT+) Community.

York Pride raises awareness of LGBT+ issues by promoting and staging events, taking part in campaigning and commentary in the media, and providing support to other LGBT+ charities and voluntary organisations. Pride also promotes the provision of information, advice and support that celebrates LGBT+ lives and history. It aims for York to be a place where everybody knows that the diversity offered by the LGBT+ community is something to be celebrated and in which LGBT+ people can feel safe and accepted.

The summer Pride event, which takes place within a Pride festival week, provides the main platform for a celebration of the diversity of the LGBT+ community in a context of entertainment, inclusivity and fun. The event is a focus for the visibility of the LGBT community in York and provides an opportunity to draw attention to important LGBT issues.

In 2023, York Pride will take place on 3rd June at York Racecourse, with the parade starting from York Minster. Check the York Pride website for more details: <https://yorkpride.org.uk/>
